Notes:

The Federal commercial trip limit for Quarter II is currently 7,000 lbs.

Massachusetts has a 12" minimum fish size.

For week ending April 10, 1999, 180 dealers held a federal black sea bass permit. Of those 180 dealers, 154 have submitted a weekly quota report for the current reporting week. Because Massachusetts dealers submit weekly quota reports directly to the state, they were not included in these calculations.

These data are the best available to NMFS when this report was compiled. Data are supplied to NMFS by dealers and/or state agencies and may be preliminary.
